

## **Million Dollar Degrees Jackpot Monopoly Grand and World of Wonka**

### **Million Dollar Progressive apparent win**

On an apparent win of the Bally Million Dollar Progressive award it is handled by Bally and their field service team. The verification process for this jackpot may take several hours to complete.

Once the jackpot is hit at our casino, the Slot Team secures the machine to prevent further play, game entry or power disruption. Bally is then contacted of the apparent win and a Bally Field Tech is dispatched to our casino. A Slot Supervisor will gather Guest's valid ID/information and notify the guest of delay. Once field service arrives then the verification process begins. Following the verification of the materials and information obtained during the verification process, Bally will authorize and distribute the payment in the form of a wire transfer or certified check according to the Guest's preference.
